A LETTER FROM STEVE

Friends, my heart is filled with gratitude for each one of you as this year comes to an end. I am hopeful about the future as I think about the thousands of you in your places and spaces, loving people and doing your best to serve God. Thank you for investing in the mission of No Regrets as we seek to disciple the next generation of men together. Thank you for continuing to know Jesus, become like Jesus, and join with Him in His mission.

We are celebrating what God has done, and is doing, through our work at No Regrets. For instance, through the technology you helped us build, we were able to train leaders in Cuba, Zambia, Dominican Republic and India. This technology allowed 15 churches to go through our six-month training experience. This year's conference was streamed to 113 host sites around the country and to 29 countries around the world. We were able to launch a weekly podcast that encourages and equips leaders across the globe. Your investment allowed us to digitize the Basecamp Bible Studies (formally Top Gun/No Regrets Study Series) so they are more accessible.

Your support has positioned No Regrets to reach men and train leaders around the world. We are committed to seeing that grow and multiply in the years to come and we couldn't do this work without your partnership. Let us never stop praying and never stop being light in this dark world.

For the Cause that Counts,
Steve

WHAT WE NEED TO SEE IN

THE WORLD AROUND US

A Call to Wake Up The Sleeping Giant

The Bible calls us to be fearless influencers of society (Matthew 5:13). But often, we do not see that virtue reflected in the men of the Church.

The world needs men who know what it truly means to be a disciple of Jesus. Showcased by the graph to the right, the Church needs support inspiring and equipping disciples to make disciples. That is why No Regrets focuses on training leaders. To address the exact problems we see in the world around us. In 2022, No Regrets Men's Ministry sought to equip, encourage, and inspire men world-wide to be fearless influencers of society.

Understand that your passion for seeing ministry to men ring around the world and through to the Kingdom of God is not some arbitrary desire. It is a belief in what the world could be. A world where the sleeping giant of the Church – men – is awoken.

Impact Communities With the Follow-Up Studies

The No Regrets Conference Follow-Up Study was used by 48% of Host Sites in 2022. That means that 48% of our host churches committed to keeping the momentum of the conference going.

Launch Two New Basecamp Bible Studies

We are thrilled to announce two new Basecamp Bible Studies. Basecamp represents an updated and digitized version of the successful No Regrets Study Series.

Create a Platform to Reach Around the World

The global impact of No Regrets cannot be understated. This ministry started as 24 men who met weekly. It has now grown to international proportions, leading men into a deeper relationship with Jesus.

Complete Two Leadership Cohorts

The premiere feature of the No Regrets Men's Ministry is the Leadership Cohort. A 6-month virtual intensive that allows leaders to create a unique and effective plan to disciple the men of their community. This year, we completed our 5th – and started our 6th – Leadership Cohort.

A Return to The Master's Plan of Discipleship

What makes No Regrets Men's Ministries impactful is that nothing we do is kept a secret. In fact, it is a return to Jesus' 2,000 year-old-model of making disciples that make disciples.

Relational – 1 Thessalonians 2:8

We believe that men grow spiritually stronger in a life-on-life discipleship community. Jesus gave us a model of ministry where communal connections are the primary way to share the gospel.

Reproducible – 2 Timothy 2:2

We believe that a reproducible model of leadership is crucial. That is why we have developed our ministry around a repeatable pattern of discipleship that lasts beyond the leader.

Biblical – 2 Timothy 3:16-17

A pillar of the No Regrets community is that we stand firm on the timeless truths of the Bible. This means that we will always be grounded in what Scripture tells us about men, community, discipleship, and leadership. It is a genuine return to the Master's Plan of Discipleship.

We know that these are not arbitrary statistics. Each number you see above represents a man who has been impacted by the Kingdom of God. For us, these are results to celebrate and see grow!

“ No Regrets has provided me with a sound Biblical framework to build a thriving men’s ministry. They provided me with the tools and resources to be successful. But more than that, it’s been the relationships that I’ve developed with their team and the connections they’ve helped me make with other men’s leaders around the country that have truly impacted me personally and the way I lead our men.

– Ron Sweet,
Associate Pastor of Men’s Ministry at the Crossing Church in St. Louis

Goals for 2023 and Beyond

Content Development:

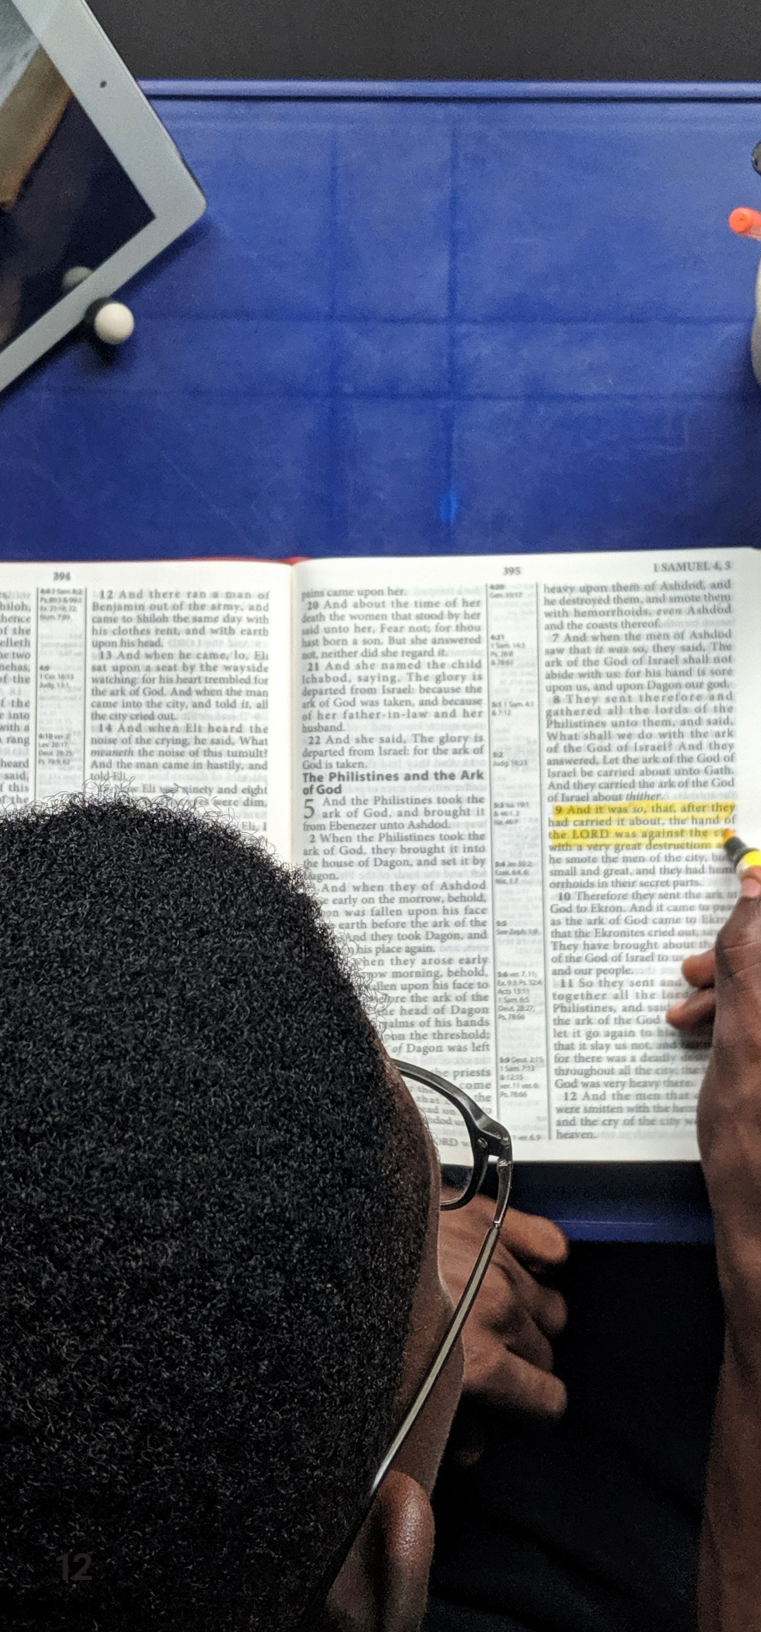

Currently, we are developing our **DiscipleMaker Courses**. A new online training course that will be available from anywhere. It is designed to equip leaders to impact their circle of influence for Christ. Then grow the impact to become a disciple-making movement.

We are also working to develop four additional **Basecamp Bible Studies**. Currently, we are aiming to launch the next three Bible studies: *Becoming a Man of Influence*; *Building a Home, Not Just a House*; and *Bringing God to Work With You*.

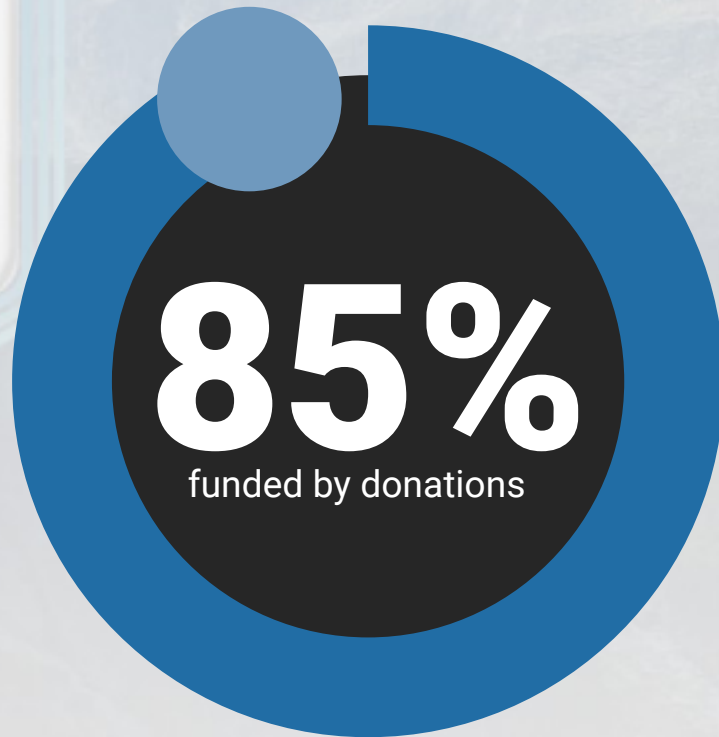

Leadership Development:

As our passion for leaders grow, so does our desire to see them developed into disciple-makers. That is why we are hosting our first ever **Leadership Retreat** in May of 2023. This two day event will allow leaders from around the Midwest to gather, be encouraged, and become equipped to more effectively minister to the men of their church.

Finally, we are also building out our **Ambassador and Leadership Specialist** teams. These teams go out and help churches develop disciple-making ministries. However, as we expand, we will soon be reaching beyond churches into businesses, prisons, colleges, and more.

Invest in Disciple-Making

Did you Know that over 85% of the No Regrets Men's Ministry is funded by donors just like you? Enabling No Regrets to create transformative resources, inspire men throughout the world, and build leaders for the Kingdom of God. All of that is made possible by your generosity. Invest in disciple-making today!

The Three Ways

That Anyone Can Help

1 Pray

If anything, prayer reminds us that we are not in charge. Rather, God is. So we ask that you pray for us, our community, and this ministry to faithfully do God's work.

2 Give

If you are able and willing to give financially, we ask that you do so by following the link below. This will help grow and sustain our impact in the world for the Kingdom of God.

3 Serve

If you are not able to give financially but can offer your time, we are always in need of volunteers. You can find a list of open positions on our website found below.
