A LETTER FROM  
STEVE SONDERMAN

Friends, I am grateful and humbled for the ongoing support and generosity of the entire No Regrets community. This past year has marked ministry milestones, expansion and answers to prayer, resulting in tremendous momentum going into next year.

As we approach 2024, we take on the mantle of the theme, "Fearless". No Regrets strives to be fearless in everything we endeavor to do as we listen to God's direction.

*So do not fear, for I am with you;  
do not be dismayed, for I am your God.  
I will strengthen you and help you;  
I will uphold you with my righteous right hand.*

ISAIAH 41:10

Your support, prayers, acts of service and generosity is what allows us to shape churches and men into fearless influencers for Christ.

Thank you!

For the Cause that Counts,

Steve

FEARLESS

## THE PROBLEM

Our nation is in crisis from a lack of male leadership that is wrecking our families, communities and institutions. Skyrocketing divorce rates, fatherlessness in the home, addictions and isolation all paint a picture of far too many families today. Our culture needs men who obey the teachings of Jesus, love their wives, nurture their children, work hard and serve others.

## THAT'S WHY NO REGRETS MEN'S MINISTRY EXISTS- TO PROVIDE SUCH A SOLUTION!

## THE SOLUTION

We've built an arsenal of innovative discipleship resources, leadership training (both live and online), ground breaking conferences and podcasts that close the gap on the leadership deficit. We bolster churches' and individual's spiritual health through our various resources and training in order to galvanize their men's ministries.

We are accomplishing this through our specialized team of trainers, coaches, church engagement director and ambassadors who are ensuring we have what churches and disciple makers are looking for.

*In my twenty years of being involved with or leading men's groups, (Basecamp) is my favorite study I have done. You guys have created something wonderful. I hope you find ways to get it exposed to more men and churches.*
