

DISCIPLEMAKER 201

Building a Life-Changing Men's Ministry

What is DiscipleMaker 201?

Your Chance To Build a Lasting Brotherhood...

Most ministries simply do not have a plan to engage their men in an effective, healthy, Christian community. That's why No Regrets has developed a leadership cohort that will help you as a leader develop that very plan and build your ministry to men. Afterwards, the men in your church and community will be actively involved in a vital, life-changing, ministry to men.

This ministry-training course will help to launch, grow, and sustain a life-changing men's ministry. In this online-class format, attendees will collaborate with top ministry to men leaders to develop a custom, scalable, successful ministry plan.
